Line Range

Line Range

The Line table range is available in two sizes – 1800 mm and 1500 mm – and in three different shapes – rectangular, classroom and trapezoid – to create various configurations that can be built to suit any specific needs.

The Line range consisted in five different elements including table tops, legs, modesty panels (optional), cable management (optional) and trolleys (mandatory).

CABLE MANAGEMENT

Materials and Colours

Our Line Table tops are made from HPL with a durable Reef edge and our table legs are available in complementary colours. Our standard top comes as Erable and Black (B01).

Premium

Table tops and edge

Essential

Table tops and edge

Accessories

Cable Management

Cable Management sleeve to reduce trip hazards and unsightly wires.

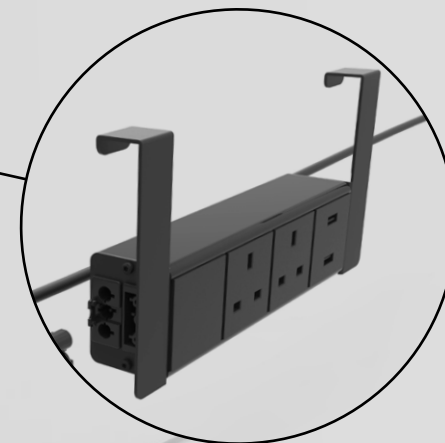

Modesty Panel

Light weight removable heat pressed textile laminate modesty panel.

Accessories

Power Units

The power units feature two UK power sockets and two USB ports

Magnetic clips

Magnetic clips are provided to channel the cable along the metal frame of the table to make ganging table together easier and much tidier

Daisy Chain Details

The power units are equipped with a Male and Female weiland socket which enables the solutions to be daisy chained together.

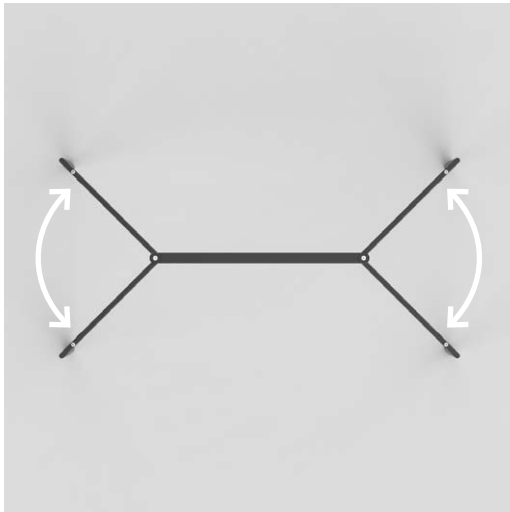

This power system is connected to a regular 13A power supply

Assembly Instructions

Intuitive locking system, ergonomic grip for seamless set-up, breakdown and changeover. No tools required.

1

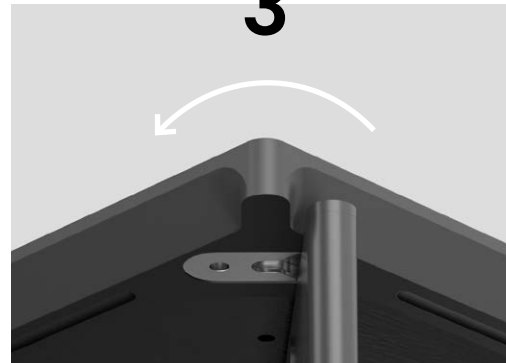

Open legs as wide as they go

2

Lift top onto legs – make sure that the locator plates sit on the pins

3

Pull the legs back in to lock with locator plates

4

Table is ready to use

THANK
YOU
