HOTEL & RESTAURANT SERVICE

**Junto by Rosenthal continues to enchant the best restaurants in the world.**

Crafted look, with extremely advanced design and technique, Junto pairs the innate naturalness of stoneware - in fascinating matt colors - to the refined glazed porcelain. Chromatic variations and asymmetric design merged to create countless combinations perfect for every culinary style. Renewed by Aquamarine and Alabaster stoneware shades and Opal Green porcelain, Junto reflects harmony and brightness of gemstones as well as the optical reflections of the sea water.

**Junto - das Dining-Konzept von Rosenthal, das sich immer wieder neu erfindet.**

Im Handmade-Look und dennoch anspruchsvoll in Form und Ausführung, finden bei Junto sinnliche Keramik in faszinierenden matten Tönen und feines, glänzendes Porzellan ganz selbstverständlich zusammen. Gedämpfte Farben und ein organisches Formenspiel erlauben eine Vielzahl an Kombinationen und sind die perfekte Bühne für jede Esskultur. Ergänzt um die neuen Farben „Opal Green“ und „Aquamarine“ bringt Junto die Harmonie und den Glanz von Edelsteinen auf den Tisch und erinnert zugleich an das lebhaftes Farbenspiel des Meeres, das von hellem Grün bis dunklem Blau reicht.

Rosenthal

**Junto, il servizio tavola Rosenthal capace di reinventarsi in modo sempre nuovo.**

Artigianale nel look, ma estremamente all'avanguardia per design e tecnica, Junto accorda l'innata naturalezza della ceramica - dalle affascinanti colorazioni opache - con la raffinata porcellana smaltata. Le variazioni cromatiche e il design organico che contraddistinguono la collezione danno vita a innumerevoli combinazioni, perfette per ogni cultura culinaria. Rafforzata dalle nuove tonalità Opal Green in porcellana e Aquamarine e Alabaster in ceramica, Junto porta in tavola l'armonia e la lucentezza delle pietre preziose nonché sfumature che, dal blu scuro al celeste, ricordano i riflessi ottici dei fondali marini.

**The exceptional charm of Junto's reactive glaze lies in the unique appearance of each item. The layer of glaze creates every time different shades especially on the edges of the articles. Depending on the shape, entirely unique speckled structures take form on the ceramic surface.**

*Der besondere Charme der Junto Reaktivglasur liegt im individuellen Erscheinungsbild eines jeden Artikels. Speziell die Randzonen erscheinen durch eine dünnere Glasuraufgabe in einem seidenmatten, dunklen Glanz und je nach Formgebung ergeben sich unverwechselbare, sprenkelartige Strukturen auf der keramischen Oberfläche.*

L'aspetto sempre diverso di ogni articolo risiede nello speciale fascino dello smalto reattivo di Junto. In particolare, i bordi presentano una smaltatura scura con una brillantezza satinata. A seconda della forma, sulla superficie in ceramica si creano sfumature con caratteristiche inconfondibili.

# porcelain

**The coloured glaze, specially developed by Rosenthal, lets the typical diamond relief appear in an exciting contrast of light and dark, lending these hand-glazed products a unique colour progression.**

*Die speziell entwickelte Farbglasur lässt das charakteristische Rautenrelief in einem spannenden Hell-/Dunkelkontrast erscheinen und verleiht den von Hand glasierten Produkten einen einzigartigen Farbverlauf.*

La smaltatura colorata, appositamente sviluppata da Rosenthal, enfatizza il sottile rilievo a losanga, donando un raffinato effetto chiaroscuro. Una nota di colore davvero unica per questi prodotti smaltati a mano.
