**YOUR “FINE DINING” NEEDS A “BHS
TABLETOP”!**

In the competitive world of fine dining, the presentation of your culinary creations is just as important as the dishes themselves. BHS Tabletop offers an extensive range of chinaware styles and themes designed to complement and enhance the artistry of your chefs.

A Collection for Every Culinary Style
Whether your menu features Nouvelle cuisine, formal courses, casual bites, ethnic flavors, fusion experiments, vegetarian delights, or vegan innovations, BHS Tabletop provides the perfect backdrop. Their diverse collections ensure that each dish is presented in a manner befitting its unique character and flavour profile.

BHS Tabletop's offerings are categorized under four primary brands, each catering to different aesthetic and functional preferences:

BHS Tabletop can transform your culinary presentations.

Purity:

- BAUSCHER: Renowned for timeless and functional professional porcelain, emphasizes durability and elegance. The Purity collection, for instance, features pieces with raised reliefs that play with light and shadow, enriching the sensory experience. This collection is available through Houseware International in Ireland.
- SCHÖNWALD: This brand stands for modern, trend-conscious designs. Collections like Delight, Grace, and Create offer versatile options that can be mixed and matched to suit various dining themes. Detailed information on these collections can be found on the BHS Tabletop website.
- PLAYGROUND: For establishments seeking innovative and unconventional designs, the PLAYGROUND collection offers pieces that challenge traditional dining aesthetics, making them ideal for experimental and avant-garde presentations.
- HEART&SOUL: Featuring vitreous china items, this brand provides unique pieces that are both functional and visually appealing, perfect for creating lively and personalized table settings.
